WELCOME !

We are happy to present you our new APEX website.

It was developed in order to make it easier for most of our internet users from all around the world.

Pictures are widden, and all the new products of our range are clearly visible on the website, including our carbide-tipped circular saw blades, narrow band saw blades & wide band saw blades, different knives & blades, but also our wet sharpening and side-grinding machines for circular and band saw blades, & our welding and stellite-tipping machines for band saw blades.

For that reason, several videos of our sharpening machines for band saw blades, but also of our welding and stellite-tipping machines for band saws are available on APEX web site.

We instored a newsletter in order to inform you about APEX new products and our next special commercial offers reserved to our most faithful visitors.

Do not hesitate to register in that newsletter, and also pass us remarks and make suggestions.

We do export our main products like band saw blades , & carbide-tipped circular saw blades to more than 30 countries worldwide, and for yourself???

Our objective is always to improve , and help you in your own development.

2010 will remain a difficult year for many companies worldwide, but we believe that strenghtened cooperation between us can help overcome this difficult period.

APEX wishes you again a lot of successes.
